Customer of the Company

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Being a retired person my income is pretty well set and inflation is rampant. We do expect our Utility Companies to provide there services at a reasonable rate and we pay for this. Utility Companies are not considered to be a monopoly however I beg your pardon on this. I have lived in Alabama, Florida, and now South Carolina and I have never had a choice of electric, water, or sewage services. I do realize I can stand behind a tree to relieve myself and I could get solar panels and even dig a well even though it is not permitted. The Utility Companies certainly provide us we wonderful and appreciated services but I don't understand why things get easier but more expensive. Why can't thing improve and cost less? One reason is the enormous salaries that are paid to those that seem to do the LEAST.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

Yes
